

Alpha Care Center

Alpha Care Center is here to help make a difference in the lives of men, women, and children in our community! Through mentoring relationships, volunteers attempt to empower individuals and couples with information to help make life-changing decisions pertaining to an unplanned pregnancy, parenting, abortion, and adoption.

Local Impact of the Alpha Care Center

Alpha Care Center provides medical services (ultrasounds, pregnancy tests, STI tests), educational services (GED, ESL), and material assistance (clothing, formula, diapers) to our community. There are locations in Lowell and Lake Odessa.
