Member Testimonial

“The tellers are always pleasant, personable and efficient. Recently we spent some time with the loan department and manager who were just as great and went the extra mile with us. All are very helpful, knowledgeable, and always provide service with a smile. We’ve been banking with them for quite a few years and have always been happily satisfied with all of the team at PFCU! Great customer service all the way around”

Member Testimonial

“We have been customers of PFCU for several years. We started with them when our credit wasn’t great and they worked with us and were able to get us loans when no one else would help. Because of their help, we were able to rebuild our credit. I will continue to use PFCU moving forward. Every experience I have had with anyone in the branch has been stellar and I would recommend this organization to anyone!”
